"Consolidation and Recovering Market Share"

It is my privilege to extend a warm welcome to all shareholders and stakeholders to the Seventy-Third Annual General Meeting of the Company.

The Year in Review

The financial year 2024/25 marked a strong recovery for the Company. Having successfully secured the required banking facilities, we concentrated on regaining our lost market share by importing a substantial volume of stock, and beginning to move it out with aggressive pricing. The general economic environment was slow, due to a lack of economic growth, and a fall in interest rates resulting in a drop in our much-needed finance income.

The Company recorded an exchange gain of Rs. 4.6 million during the year, compared to a loss of Rs. 0.6 million in 2024. The Sri Lankan Rupee appreciated by 1.41% against the US Dollar as at the financial year-end (2024 – appreciation of 7.6%). Our inventory levels increased substantially as we adopted a front-loading strategy to meet future demand, and capitalize on 2 year exchange rate lows. Consequently, we achieved a turnover of Rs. 472.4 million for the year, a 181% increase compared to Rs. 168.6 million in 2024.

The Group recorded an after-tax profit of Rs. 30.1 million, compared to Rs. 5.1 million in 2024. During the year, our focus was on driving the recovery our sales volumes, while protecting gross margins of 22.3% (2024 – 28.17%). Rental income increased to Rs. 36.1 million from Rs. 30.1 million in the previous year (120% growth). However, interest income declined as we invested heavily in stocks, resulting in investment income of Rs. 46.6 million compared to Rs. 88.0 million in 2024 (drop of 47%). Profitability was further impacted by a deferred tax reversal of Rs. 1.3 million (2024 – Rs. 14.2 million release).

The net asset per share is Rs. 165.91 (2024– Rs. 163.31).

Our financial discipline focusses on cost control, limiting the increase in administrative expenses to 7.1% (2024 – 11.73%). The main contributor to this increase was employee-related costs to support the cost of living, which amounted to Rs. 72.5 million (2024 – Rs. 66.2 million). Utility expenses showed an improvement, with electricity and water costs reducing to Rs. 6.4 million (2024 – Rs. 7.4 million). Fuel expenses remained unchanged at Rs. 3.6 million, consistent with the previous year. In addition, non-recurring repair and maintenance costs relating to the main building were recorded at Rs. 4.5 million (2024 – Rs. 4.1 million).

During the financial year, the Company further consolidated its business with Bridgestone India, which moved back to Bridgestone Eastern hemisphere strategic business unit. Our established supply base from multiple plants in Japan, Indonesia, and Thailand continued uninterrupted during the year, ensuring stability in product availability. Looking ahead, there remains the potential to broaden our sourcing network through imports from newer Bridgestone plants in Taiwan and Vietnam, further strengthening supply chain resilience and product diversity.

Business Environment

With the smooth transition of power from the interim administration to the newly elected government in September 2024, business prospects remain marginally on the favourable side. The lifting of the ban on vehicle imports by the Sri Lankan government in February 2025 is expected to create renewed demand for our products, particularly with the introduction of new Electric (EV) and Plugin-Hybrid (PHEV) vehicle models to the market. During the year, we successfully established new banking facilities and are in the process of finalizing a second facility for sundry businesses.

Dividend and Share

The price of the share fluctuated during the period from Rs. 89.00 to Rs. 139.75 and ended the year at Rs. 110.00 (31 March 2025).

The Board of Directors of the Company has not recommended a dividend for the year ended 31 March 2025.

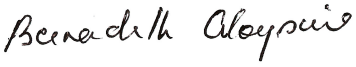
Digital Reporting

As per the CSE guidelines. this report is available on both the Company website. and the CSE website, for easy download. We will continue to provide you with hard copies of the report on request in writing, to the contact person specified at the beginning of this annual report. Our company Articles of Association, company policies as per the new listing rules, and many other details are now available for download at www.autodrome.lk/cg.

Gratitude to Stakeholders

I take this opportunity to thank the Company's valued customers and suppliers for their support, and the team for their commitment and dedication the Board of Directors, and the committees for their invaluable guidance and advice throughout the year.

I also thank all of you, the over 500 shareholders of the Company, for your continued confidence and trust.



Mrs. Bernadette J. Aloysius
Chairperson of the Board

4th September 2025
Colombo

OPERATING RESULTS

In the financial year of 2025, The Autodrome PLC secured a profit of Rs. 30.1 million (2024- Rs. 5.1 million), despite the circumstances being an election year. Major contributors for this bottom line were the Gross Margin from its main business of Rs. 105.3 million (2024 – Rs. 47.5 million). During the year the company sold 14,714 units (2024 – 4,821) of Bridgestone brand tyres, and provided workshop services to 2,793 (2024- 1,779) clients.

The Company reported other income and gains of Rs. 45.0 million (2024 – Rs. 30.7 million) for the financial year. This primarily comprises rent income from six office premises leased to third parties, of which five were occupied by IT-related businesses and one by a well-known restaurant chain.

For the year, the Group's finance income amounted to Rs. 53.4 million (2024 – Rs. 90.6 million). Total other financial investments as at 31 March 2025 declined significantly by 65.9% to Rs. 172.8 million (2024 – Rs. 506.3 million), primarily due to increased investment in stock to support sales recovery.

Land and Building

The Company's land holdings were valued at Rs. 1,758 million (2024 – Rs. 1,758 million), while buildings were valued at Rs. 338.3 million (2024 – Rs. 338.3 million). A professional revaluation of the property was conducted in 2024, and for the year 2025, the Board of Directors has opted to continue using the same valuation report. Changes in the value of buildings during the year are primarily attributable to depreciation.

Inventory

The Company continued to bolster trading stock, which began the previous year. This resulted in inventories rising sharply to Rs. 332.7 million as at the balance sheet date (2024 – Rs. 47.2 million).

Trade and Other Receivables

Trade debtors as of year-end was Rs. 133.4 million (2024 – Rs. 19.0 million), due to the rise in turnover during the month of March 2025 following the arrival of the fresh stocks.

Trade payables

Trade and other payables as at the period end amounted to Rs. 41.2 million (2024 – Rs. 67.2 million). Out of this, Rs. 23.5 million (2024 – Rs. 20.4 million) relates to trade payables.

The amount due to the main supplier, Bridgestone India, was nil as at the reporting date (2024 – Rs. 25.9 million due to Itochu Middle East FZE).

During the year, we commenced importing items on LC at sight basis, with Bridgestone India, the SBU assigned to distributors in the region, which now coordinates with Bridgestone directly in Japan.

Administrative Expenses

the Company successfully managed its administrative expenses through strict internal controls and optimizing operations with cost management. Administrative expenses for the year amounted to Rs. 145.9 million (2024 – Rs. 136.2 million).

The largest component was employee-related costs, including salaries, EPF, and ETF contributions, totaling Rs. 72.5 million (2024 – Rs. 66.2 million). The Company's total staff strength stood at 38 employees, of which five consist of the working directors and the Chairperson.

Utility expenses for the year amounted to Rs. 6.4 million (2024 – Rs. 7.4 million). Total electricity consumption for both offices was 196,955 units (2024 – 191,543 units), while water consumption remained unchanged at 2,720 units (2024 – 2,496 units)

The Company owns 10 vehicles and a backup generator. Key executives continued to receive fuel expense entitlements, with the Company's total fuel cost amounting to Rs. 3.6 million (2024 – Rs. 3.6 million). This stability was mainly due to fuel price moderation and reduced reliance on the generator as a result of fewer power cuts.

Security services were subcontracted to the KayJay Group, with related charges amounting to Rs. 8.2 million (2024 – Rs. 7.0 million). In addition, repairs and maintenance to the main building and stores amounted to Rs. 4.5 million (2024 – Rs. 4.1 million).

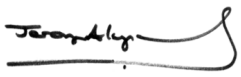
Business Environment

During the year under review, the Company front-loaded imports of its main product in order to recapture its lost market share. With the Government lifting the ban on the import of passenger vehicles, we remain optimistic about increased demand in the future, with our substantial strengths in EV and Hybrid tyres.

Internal Controls and Adequacy

The Company applies a sound internal control system, which are regularly reviewed and assessed by the Audit Committee, where all issues, and any payment or discharge has to be approved by the management. Management periodically monitors, reviews the adequacy of, and revises internal controls.

Rajeev Aloysius
Joint Managing Director



Jeremy Aloysius
Joint Managing Director

REPORT OF THE AUDIT COMMITTEE

Purpose of the Committee

The Board appointed the Audit Committee to be in line with the Code of the Best Practice on Corporate Governance and the requirement of the Securities and Exchange Commission for Public Listed Companies. The Audit committee functions, authority and duties have been clearly identified in the Audit Committee Charter.

The Committee was established to assist the Board in fulfilling its oversight responsibilities for the Company's financial reporting system, compliance with legal and regulatory requirements, internal controls, and risk management processes, including the systems established to identify, assess, manage, and monitor risk.

Audit committee charter

The Company has an Audit Committee Charter and the powers and responsibilities of the Audit Committee are governed by the Audit Committee Charter

Functions & Duties

The main role and the responsibilities of the Audit Committee include;

- Assisting the Board in discharging its responsibilities by satisfying the Board oversight responsibilities in relation to quality and integrity of the Financial Statements of the Company. This includes preparation, presentation and adequacy of disclosures in the Financial Statements in accordance with Sri Lanka Accounting Standards.
- The overall responsibility in ensuring that the Internal controls systems and risk management systems of the Company are adequate and comply with legal and regulatory requirements.
- Oversight responsibility to ensure compliance in relation to financial reporting requirement and the information requirement as required by Companies Act No. 07 of 2007 and other relevant financial reporting related regulations and requirements.
- Assessing the independence, qualifications and performance of External Auditors. Making recommendations to the board pertaining to appointment, re-appointment and removal of external auditors and approval of the remuneration and terms of engagement of the external auditors.
- Discussion of the audit plan, key audit issues and their resolution and management responses.
- Discussion of the Company's Annual Audited Financial Statements and Interim Financial Statements with management and the Auditors.

Composition of the Audit Committee

The Audit Committee consists of three Independent Non- Executive Directors who are appointed by, and are responsible to the Board of Directors. Regular Attendees by Invitation include, Jt. Managing Directors, Marketing Director, The Engagement Partner of Messrs. E&Y (External Auditor)

Financial Reporting

The Audit Committee review the quarterly and annual Financial Statements prior to publication. The Review includes

COMPOSITION OF THE AUDIT COMMITTEE
AS AT 31 MARCH 2025

Subcommittee Member	Directorship Status	Meetings attended
Mr. Jitendra T. Daulagala – Chairman	Independent Non Executive	2/2
Ms. Chiranthi Cooray - Member	Independent Non Executive	2/2
Mr. H. Asoka Pieris - Member appointed from 31.03.25	Independent Non Executive	0/0
Mr. M. Raviraj Ratnasabapathy - Chairman and member up to 31.12.2024	Independent Non Executive	4/4
Mr. Bri Ponnambalam - Member up to 31.12.2024	Independent Non Executive	3/4
Mr. Ranil de Silva - Member up to 28.02.2025	Independent Non Executive	6/6

- Appropriateness and changes in Accounting Policies
- Significant estimates and judgements made by the management
- Compliance with relevant accounting standards and applicable regulatory requirements
- Companies working capital management

Risk Management and Internal Controls

The Committee reviewed and assessed the Company's risk management process including the adequacy of the overall control environment and controls in areas of significant risk. Key risks that exceeded the Group's risk appetite are discussed in the risk management section presented in page 25.

The Committee is satisfied that an effective system of Internal Controls are in place to provide reasonable assurance on safeguarding the Company's assets and the reliability of the Financial Statements.

Assurance from the CEO and CFO

As required under Rule 9.13.5 (2)(c) and (d) of the Listing Rules of the CSE, the Audit Committee was provided with confirmations and declarations that the Financial Statements have been prepared in accordance with the Listing Rules of the Colombo Stock Exchange, Sri Lanka Accounting Standards, information required by the Companies Act, No. 07 of 2007 and the Securities and Exchange Commission of Sri Lanka therein and presented a true and fair view of the Company's state of affairs as at that date and the Company's activities during the year under review.

External Audit

The Committee reviewed and discussed the external audit scope and approach with the external auditors and management prior to the commencement of the audit. Written assurance was obtained from the external auditors, approved by the SEC, confirming their independence throughout the audit engagement in compliance with all relevant professional and regulatory requirements. Upon completion of the audit, the Committee held closed-door discussions with the auditors to address any observations and issues that arose during the engagement.

External Auditor Independence

The Committee obtained written assurance from the external auditors confirming that they remained independent throughout the audit, in line with applicable professional and regulatory requirements.

Determination of Auditor Independence

The Committee assessed the independence of the external auditors considering the duration of their engagement, provision of non-audit services, and compliance with rotation policies. As at 31st March 2025, Messrs Ernst and Young, Chartered Accountants has been the Company's external auditor for 6 years. Partner rotation takes place periodically, with a rotation having occurred in the financial year 2024/25. Where non-audit services were provided, the Committee evaluated whether auditor objectivity was maintained, taking into account the nature of services and associated fees.

Compliance

The Audit Committee reviewed the reports submitted by the management on compliance with applicable laws and regulations. The Committee is satisfied that laws and regulations are duly complied with and statutory payments have been made on a timely basis.

Reporting

The activity and views of the Committee have been communicated to the Board of Directors through verbal briefings, and by tabling the minutes of the Committee's meetings.

Meetings

The Committee held five meetings during the financial year on 24.04.2024, 26.07.2024, 14.08.2024, 25.10.2024, 28.01.2025 and 07.02.2025. The meeting held on 14.08.2024 was between the committee and the Auditors without the presence of the management, as required by the Charter.

Conclusion

The Audit Committee is satisfied that the effectiveness of the organisational structure of the Group and implementation of the Group's accounting policies and operational controls provide reasonable assurance that the affairs of the Group are managed in accordance with Group policies and Group assets are properly accounted for and adequately safeguarded. The Committee is also satisfied that the Company and its subsidiaries are able to continue as going concern.

Jitendra T. Daulagala

REPORT OF RELATED PARTY TRANSACTIONS REVIEW COMMITTEE

Purpose of the committee

The purpose of the Related Party Transactions Review is to conduct an appropriate review of the Company's related party transactions and to ensure that the Company complies with LKAS 24, the Listing Rules of the Colombo Stock Exchange and with the Code of Best Practices on Related Party Transactions issued by the Securities and Exchange Commission.

Policies and procedures

The Board of Directors of the Company has been identified as comprising the Key Management Personnel (KMP) for the purpose of related party disclosures. In line with the Company's Related Party Transactions Policy, declarations are obtained from each KMP to identify their related parties. Based on the information provided in these declarations, the Company extracts and monitors related party transactions using its internal database and records..

Terms of reference

The Terms of Reference of the Related Party Transactions Review Committee describes its duties and responsibilities. The terms of reference covers aspects relating to matters prescribed in the Listing Rules of the Colombo Stock Exchange and include the following:

-To ensure that the Company complies with the Rules.

-To review in advance all proposed related party transactions to ensure compliance with the Rules.

-To update the Board of Directors on the related party transactions of the Company on a quarterly basis.

-Define and establish the threshold values in setting a benchmark for related party transactions which have to be pre-approved by the Board, which require to be reviewed in advance and annually and similar issues relating to listed Companies.

-To make immediate market disclosures on applicable related party transactions as required by the Rules.

-To include appropriate disclosures on related party transactions in the annual report as required by the Rules.

- To ensure that Policies and procedures regarding related party transactions are being reviewed and updated on an ongoing basis.

- To ensure that necessary steps have been taken by the management to avoid any conflicts of interests that may arise in transacting with related parties.

Related party transactions during the year

There were no non- recurrent or recurrent related party transactions that exceeded the respective thresholds mentioned in the Listing Rules requiring disclosure. Details of other related party transactions entered into by the Company during the year is disclosed in Note 21 to the Financial Statements.

REPORT OF THE REMUNERATION COMMITTEE

Chairman's report

Dear shareholder,

I am pleased to present the report of the Remuneration Committee for the year ended 31st March 2025. Through this report I will share with you how the Remuneration Committee worked towards discharging its responsibilities.

Purpose of the committee

The Committee was established for the purpose of recommending the remuneration of the Chairman, and the Executive Directors. The Committee also approves the remuneration of the senior executives on the recommendations made by the Executive Directors

Terms of reference

The Committee has written terms of reference, dealing with its authority and duties, which is carefully designed to discharge the Committee's purpose, duties and responsibilities.

The Committee is committed to the principles of accountability and transparency and to ensuring that remuneration arrangements align rewards with performance.

The proposals relating to the remuneration of Executive Directors and the members of the Group Management Committee were devised in consultation with the Chairman and the Directors and the Jt. Managing Directors. No Director is involved in deciding his own remuneration. The Committee has acted within the parameters set by its terms of reference.

Remuneration policy

The remuneration policy is designed to reward, motivate and retain the Company's management team, with market competitive remuneration and benefits, to support the continued success of the business. The Committee makes every endeavour to maintain remuneration levels that are sufficient to attract and retain Executive Directors and Senior Executives. Accordingly, salaries and other benefits are reviewed periodically, taking into account the performance of the individual and industry standards.

The remuneration packages which are linked to individual performances are aligned with the Company's short-term and long-term strategy. Further, the benefit packages awarded to Executive Directors are intended to be competitive and comprise a mix of fixed and variable pay. The variable remuneration is linked to group's profitability.

Components of the Executive Directors' remuneration ; Fixed remuneration (Basic salary and fringe benefits), Variable remuneration, Post-employment benefits.

All Non-Executive Directors receive a fee for serving on the Board and on Board committees. They do not receive any performance related incentive payments.

COMPOSITION OF THE REMUNERATION COMMITTEE
AS AT 31 March 2025

REPORT OF THE NOMINATIONS AND GOVERNANCE COMMITTEE

Purpose of the Committee

The Nominations & Governance Committee was established for the purpose of advising the Board in relation to nominations, retirement and succession of the Board members. The Committee was renamed and reconstituted as the Nominations & Governance Committee, in order to adhere to the amended regulations of the Colombo Stock Exchange circular No.04/2023. The Committee currently comprises of four Non-Executive Directors, three of whom are Independent Non-Executive Directors. A presentation was carried out at a Board Meeting outlining the enhanced role of the committee.

Nominations and Governance Committee Charter

The Committee has the authority to discuss the issues under its purview and report back to the Board of Directors with recommendations, enabling the Board to take relevant decisions, define and establish the nomination process for Non-Executive Directors (NEDs), lead the process of Board appointments and make recommendations to the Board on the appointment of Non Executive Directors. There is a written charter of the Committee.

Board Diversity

The directors of The Company have a wide range of experience, skills, age, and gender as an essential factor for effective Board performance. The female to male ratio of the Board is 4:5 (including a female Chairperson), and the educational and professional backgrounds of the directors include finance, marketing, management, communications, and law. The Independent Directors of the Board meet the regulations in force until 31st December 2025.

Meetings and Attendance

The Nominations & Governance Committee held three meeting during the financial year on 25th October 2024, 18th December 2024, and 31st March 2025.

Terms of reference

The Nominations and Governance Committee has written Terms of Reference dealing with its authority and duties. The enhanced role of the committee now includes:

(i) Evaluation of the appointment of Directors to the Board of Directors and Board Committees of The Company (excluding decisions relating to his/her own appointment).

(ii) Recommending (or not) the re-appointment/re-election of current Directors.

(iii) Establishing a formal and transparent procedure to evaluate, select and appoint/re-appoint Directors.

(iv) Establishing and maintaining a set of criteria for selection of Directors such as the academic/professional qualifications, skills, experience and key attributes required for eligibility, taking into consideration the nature of the business of the Entity and industry specific requirements.

(v) Establishing and maintaining a suitable process for the periodic evaluation of the performance of Board of Directors and the CEO of the Entity to ensure that their responsibilities are satisfactorily discharged.

COMPOSITION OF THE NOMINATIONS AND GOVERNANCE COMMITTEE

(vi) Developing succession plan for Board of Directors and Key Management Personnel of The Company.

(vii) Reviewing the structure, size and composition of the Board and Board Committees with regard to effective discharge of duties and responsibilities.

(viii) Reviewing the overall corporate governance framework of The Company taking into account the Listing Rules of the Exchange, other applicable regulatory requirements and industry/international best practices.

(ix) Periodically reviewing and updating the corporate Governance Policies / Framework of the Entity in line with the regulatory and legal developments relating to same, as a best practice.

(x) Receiving reports from the Management on compliance with the corporate governance framework of the Entity including the Entity's compliance with provisions of the SEC Act, Listing Rules of the Exchange and other applicable laws, together with any deviations/non-compliances and the rational for same.

Board and CEO Performance Evaluation

In compliance with Rule 9.11.5 of the Listing Rules of the CSE, the Committee confirms that periodic evaluations have been conducted on the performance of the Board of Directors. These evaluations are aimed at assessing the effectiveness of the Board's oversight responsibilities in achieving the Company's strategic objectives. The performance reviews are structured, criteria-based and carried out under the supervision of the Nominations and Governance Committee. Feedback from these evaluations is used to identify areas for improvement and to support ongoing Board effectiveness.

Statement on Directors' independence

As required under Rule 9.8.5 (a) of the Listing Rules of the CSE, all Independent Non-Executive Directors of the Company have each submitted a signed and dated declaration confirming their independence, in accordance with the criteria specified in the CSE Listing Rules.

In accordance with Rule 9.11.6 (l) of the Listing Rules of the CSE, the Nominations and Governance Committee confirms that, as at the reporting date, the Independent Non-Executive Directors of the Company have satisfied the criteria for determining independence as specified under Rule 9.8.3 of the CSE Listing Rules.

Compliance with Corporate Governance Rules

The Company is currently in compliance with the rules of Corporate Governance currently in force. The Chairperson of the Company is an Executive of the Company, and in accordance with the rules a Senior Independent Director (SID) was appointed during the financial year, and disclosure and justification published on the website of the Colombo Stock Exchange.

On behalf of the Nominations & Governance Committee.

Asoka Pieris
Chairman
Nominations and Governance Committee
4th September 2025
Colombo

A brief overview of our application of some of the Guiding Principles formulated by the Institute of Chartered Accountants of Sri Lanka, as well as the current listing rules of the Colombo Stock Exchange is given below.

We the Board confirm that as at the date of the Annual Report, that the Company is in compliance with the Corporate Governance Rules of the Colombo Stock Exchange.

Board of Directors

During the year under review, from 01 April to 31 March, the Board of Directors comprised five Executive Directors and four Non-Executive Directors. The profiles and qualifications of the Directors are detailed on page 07 of this report. A disclosure of the Board composition—indicating whether each Director is Executive, Non-Executive, or Independent Non-Executive—is provided on page 31, under Note 12 of the Annual Report of the Board of Directors. During the financial year, three Independent Non-Executive Directors resigned, and three new Independent Non-Executive Directors were appointed.

The Chairperson of the Board, Managing Director positions and Senior Independent Director position are held by different persons. The Joint Managing Directors function as joint Chief Executive Officers of the Company. One Independent Non-Executive Director represents the board as the Senior Independent Director. The Non-Executive Directors are not involved in the day to day running of the Company, but participate in the review and monitoring of operations, while also participating in Governance Committees (see below). Three directors are both Independent and Non-Executive, as per the definitions given by the Colombo Stock Exchange.

All Non-Executive Directors have submitted a declaration on the status of their independence to the Company.

The Board of Directors met on 24th April 2024, 26th July 2024, 14th August 2024, 25th October 2024, and 28th January 2025. Resolutions were passed by circulation on 5th September 2024,9th September 2024, 24th September 2024, 2nd October 2024, 9th January 2025, 25th February 2025 and 31st March 2025.

Audit Committee

The audit committee consists of three independent, non-executive directors. The committee is chaired by a member of a professional accounting body, and at least one other member has equivalent professional qualifications. The audit committee consists only of non-executive directors, and two executive directors are invited for clarifications at meetings. The functions of the Audit Committee are in accordance with Rule 9.13.4 of the Listing Rules. The invited executive directors include a Joint Managing Director. The audit committee met six times during the year under review, and conducted the business as entrusted to them under their Terms of Reference.

Remuneration Committee

The Remuneration committee consists of a Chairman who is an independent non-Executive Director, and two other independent non-executive directors.
The Remuneration Committee met two times during the year under review on 24.04.2024 and 07.12.2024, and conducted the business as entrusted to them under their Terms of Reference.

Remuneration Policy

The Remuneration Committee meets twice a year to review the key management personnel remuneration policy. The aggregate remuneration of key management personnel is disclosed under note 21 on page 64.

Code of Ethics and Best Practice

A formal Code of Ethics and Best Practices has not been formulated and adopted at the given time. The ideas, theories, principles and Best Practices underlying such a code have been in active use for some time. The Company operates to meet the aspirations of all of its stakeholders.

Related Party Transactions Review Committee

The Related Party Transactions review committee meets every three months to conduct an appropriate review of the Company's related party transactions and to ensure that the Company complies with the rules set out in the Code of Best Practices issued by the Securities and Exchange Commission.

Nomination & Governance Committee

A Committee was established for the purpose of advising the Board in relation to nominations, retirement, succession and training of the board members. The company had three Nomination & Governance committee meetings for the year 2024/25 on 25th October 2024, 18th December 2024 and 31st March 2025.

The Company Policies

The Company's Policies on Board Committees, on Corporate Governance, Nominations and Re-election, on Remuneration, on Risk Management and Internal controls, on Environmental, Social and Governance Sustainability, on Control and Management of Company Assets and Shareholder Investments, on Corporate Disclosures, on Relations with Shareholders and Investors, on Whistleblowing, on Anti-Bribery and Corruption, on Internal Code of Business conduct and Ethics for all Directors and employees, are published at www.autodrome.lk/cg.

Fit and Proper

To ensure compliance with Listing Rule No. 9.7.1, each member of the Board has declared conformity with the fit and proper assessment criteria outlined in Listing Rule No. 9.7.3 and 9.7.4 by providing signed declarations for the year under review. Individuals who fail to comply with the criteria as per the above rule, will no longer be eligible to serve as directors of the company. All Directors met the fit and proper assessment criteria stipulated in the Listing Rules of the CSE.

RISK MANAGEMENT

The Board is primarily responsible to ensure that risks are identified and managed for the group. The Audit committee is responsible for reviewing the effectiveness of the group's risk management process, including the systems established to identify, assess, manage and monitor risk.

The business operations of the Group and performance are subject to a variety of risk factors; the Management constantly monitors and evaluates risk factors in order to respond effectively.

The Company and group core risk areas are as follows:

BUSINESS & OPERATIONS

Competitive Environment

Import and Distribution business is operating in a competitive environment and this could contrast the margin on sales and thereby exert additional pressures to meet planned objectives. To meet the Company and group objectives the group has to compete with rivals in areas including price, product range, quality and service.

Human Resources

Failure to protect the group's reputation could lead to loss of trust and confidence of employees. This could affect the ability to recruit and retain a high caliber of staff. This is addressed by offering attractive reward systems and implementing career development programmes.

Finance Risk - Foreign exchange rate risk

The group exposure to exchange risk is high as the group is involved in the business of import and wholesale trade. Therefore, managing foreign exchange rate exposure through negotiation with banks, as well as applying prudent financial management techniques are required, to manage this risk.

Reputational Risk

The corporate image of the Company has helped the group to diversify to new areas of business such as IT-related and web development services, destination management services as well as renting of office space to IT-related companies. The group recognizes the commercial imperative safeguarding the interests of all its stakeholders and avoid or mitigate the loss of such loyalty.

Regulatory Environment

An adverse impact on profit may result from adverse changes in government fiscal policies, and these are addressed through strong brand loyalty. Lately the business has been impacted with the country credit rating, impacting the opening of confirmed letters of credit.

National Security

An adverse impact to the society by way of a local or international terrorist attack can adversely affect the business of the Company.

Uncertainty in Demand and supply

There was uncertainty in demand and supply during the period under review, due to the disruptions in the global and local supply chain, and the local economic crisis. The Company and group experienced a reduction in supply which in turn impacted potential demand, negatively impacting the Group's sales.

Product safety risk

The safety and quality of our products is of paramount importance to the Group as well as being essential for maintaining customer trust and confidence. A breach in confidence could affect the size of our customer base and hence financial results. We have detailed and established procedures for ensuring product integrity and quality at all times

Health and safety risk

Provision of adequate safety to our staff is of the utmost importance to us. We operate stringent health and safety processes in line with best practice in our outlets and service centres.

Distribution Network

Our Bridgestone tyres are sold across a wide distribution network in Sri Lanka, comprising of many dealers. In order to ensure a strong distribution network, we ensure that we maintain positive long term relationships with our dealers and maintain an open communication line with them.

Loss of agency

The Company is the offical, authorised distributor for Bridgestone tyres, tubes and flaps since 1954. The Company ensures that it maintains a close relationship with its principals.

STATEMENT BY THE SENIOR INDEPENDENT DIRECTOR

The profile of Mr. H. Asoka Pieris, the Senior Independent Director (SID) of The Autodrome PLC, is provided on page 07 of this report.

I was appointed by the Board as the Senior Independent Director of the Company with effect from 31st March 2025, in accordance with Section 9.6.3 of the Listing Rules of the Colombo Stock Exchange, and in line with best practices set out in Section A.5.7 of the Code of Best Practice on Corporate Governance 2023, issued by the Institute of Chartered Accountants of Sri Lanka.

According to Section 9.6.3 of the Listing Rules, the appointment of a Senior Independent Director is required in instances where the roles of Chairman and CEO are combined, or where the Chairman is not considered independent. At The Autodrome PLC, the Chairperson is a close relative of the Joint Managing Directors and is also an Executive of the Company. Hence, the appointment of a SID was made to strengthen governance structures.

Role of the Senior Independent Director

The role of the SID includes:
- Providing support and guidance to the Chairperson on matters of corporate governance.
- Acting as a sounding board for other Directors.
- Reviewing the effectiveness of the Board.
- Being available to Directors and employees for confidential discussions on any Company-related matters, should the need arise

Meetings

Although I assumed duties only on the last day of the financial year, the following key meetings were held during the year under review under the leadership of Mr. Ranil De Silva, who served as the Senior Independent Director until 28th February 2025:

- A meeting of the Independent Directors to discuss matters concerning the Company and the Board's operations. The External Auditors were also present.

- A meeting of the Non-Executive Directors, held without the presence of Executive Directors. At this meeting, the performance of the Chairperson and the Executive Directors was reviewed.

The outcomes and recommendations from these meetings were communicated to the Chairperson and the Board for their consideration.

I am committed to fulfilling the responsibilities entrusted to the SID role in the year ahead, in line with the principles of good governance.

H. Asoka Pieris
Senior Independent Director

4th September 2025
Colombo

WE STRIVE TO CONSTANTLY IMPROVE OUR PRODUCT RANGE AND CUSTOMER SERVICE LEVELS

he Company places strong emphasis on the standard of service provided to customers at our Head Office, Ja-Ela outlets, and online platforms. Our digital channel for inquiries, reservations, and competitive pricing continues to attract new customers, while our island-wide dealer network strengthens product accessibility for end users.

As the official distributor of Bridgestone, the world's leading tyre brand, we ensure that international product quality standards are consistently maintained. Bridgestone India (Pvt.) Ltd. conducts regular visits to monitor standards, review customer claims, and address any potential product quality issues. In addition, our alignment centres provide value-added services such as tyre fitting and wheel alignment, with consistently high customer satisfaction levels.

Beyond tyre sales, the Company has diversified income streams during the 2024/2025 financial year through premises rental, investment income, and web development services, further strengthening financial sustainability.

To enhance customer relationships, we conduct frequent surveys—including field surveys and opinion checks—to better understand evolving requirements and expectations. Insights from these engagements guide our continuous improvement initiatives, enabling us to raise service standards, increase satisfaction, and minimize complaints.

SHAREHOLDERS

As a listed Company governed by numerous regulatory provisions under the Securities and Exchange Commission (SEC) and the Colombo Stock Exchange (CSE), we are bound to deliver maximum value to our investors whilst adhering to the above regulatory procedures. We conduct our business in a manner which adds value to our investors and manage the risks faced by the Company prudently following good corporate governance practices at all times. We are also aware of the fact that it is our duty to provide them with timely and accurate information on the affairs of the Company.

Our asset base has accumulated consistently over the years and provides a strong foundation which ensures that the Company is able to withstand the vagaries of the competitive business environment. Our prudent corporate strategies have resulted in the delivery of a consistent return on capital employed in the business, thereby enhancing shareholder wealth. Over the years, The Autodrome PLC has delivered on its promise to shareholders by ensuring a consistent return on their investments through capital appreciation and dividends, providing one of the most consistent and dependable investment opportunities to investors. The quarterly financial statements and annual reports are produced in accordance with the Listing Rules of the Colombo Stock Exchange, and other applicable laws and regulations. The Company's website (www.autodrome.lk) provides information on the Company, including the annual and quarterly reports. In addition to the annual reports, relevant press releases and announcements are also made available on the Company's website to facilitate communication between all stakeholders of the Company Shareholders may, at any time direct questions, request for publicly available information and provide comments and suggestions to Directors or Management of the Company. Such questions, requests and comments can be addressed to the Company Secretary by post to No. 104, Srimath Anagarika Dharmapala Mawatha, Colombo7; or to finance@autodrome.lk, or through the Company's official Facebook page. (facebook.com/autodromeplc)

EMPLOYEES

We believe that every employee wants to be part of a winning organisation and have their contribution valued by the management and their peers. Employees thrive on performing meaningful work and knowing their part in the contribution to the success of the organisation. In order to develop a sustainable relationship, we duly recognize the accomplishments of our employees and offer them many opportunities for learning and growth.

At The Autodrome PLC out of 38 employees, the majority of our staff, 84% are in the permanent cadre and only 16% of staff are on fixed-term contracts. All the employees above the age of 60 are contract employees.

The Company's employment policy ensures that we recruit the candidates best suited for positions, applying fair, objective and accepted evaluation methods.

EMPLOYEE ENGAGEMENT

Employee engagement is our top business priority. We are aware that the employee engagement brings out the best of productivity and bottom line performance while reducing costs related to hiring and retention in highly competitive talent markets.

The culture at The Autodrome PLC is such that the employees and management work together towards a shared vision. We encourage employees to express their suggestions and grievances openly to senior management. All employees are encouraged to actively participate in idea generation and problem solving.

During the year under review no employee training sessions was done due to the prevailing situation in the country and in the world, but encourage employees to develop their work related and personal career.

EQUAL OPPORTUNITY EMPLOYER

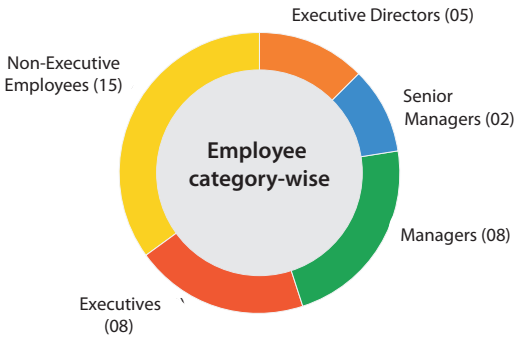
The Autodrome PLC is committed to maintain a work environment where all employees are offered equal opportunity and valued for their diversity.

We believe that a diverse workforce enhances our business and that a wide range of experience, skills and qualifications, enable us to provide a higher level of service quality and excellent customer satisfaction. The Company does not discriminate on the basis of gender, race, age, social origin, disability, religion or any other basis.

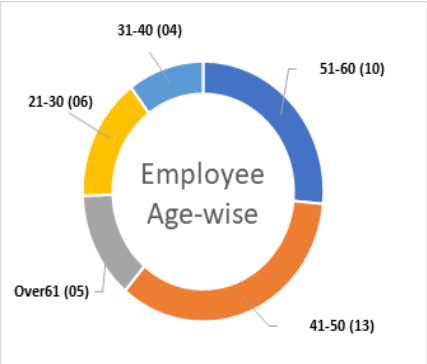
The Autodrome PLC is committed to ensuring diversity at workplace and makes an ongoing effort to drive gender diversity. We encourage female participation at all levels of management with a strong belief that a diverse workforce adds great value to the business. The nature of our business is such that requires a higher percentage of males at the operational level especially in Marketing on the field. We maintain an open mind and recruit female employees at our head office for the Sales function exclusively, and in a majority for Finance, and for many business functions. The total female participation at The Autodrome PLC at executive level is 48%.

Staff Strength

Location	Total Employees
Head Office at Colombo	33
Tyre stores at Ja-Ela	05



EMPLOYEE AGE-WISE



Our Non-Executive staff strength is 15 people (39% of the total work force), and the percentage of staff 20% is young and dynamic, falling between the age group of 21-40 years.

PERFORMANCE MANAGEMENT

We believe that an effective performance appraisal system helps us to build a performance driven culture. Therefore all employees are subject to performance evaluation annually and feedback is given to enable the employees to gain insights into how they can enhance their performance.

Employee KPIs are linked to divisional and organisational goals, the assessment of the extent to which employees have achieved their KPIs serves as a key driver of employee productivity in the Company.

TRAINING AND DEVELOPMENT

Learning and development forms the cornerstone of our strategy to develop our resources to meet evolving needs of customers and other stakeholders. At The Autodrome PLC, we are committed to developing our people and building a high performing team through training and development.

EMPLOYEE WELFARE

Due to the adverse environment in the county no special welfare events were arranged for the company employees. However our employees are our strength and we ensured they get their remuneration on time and ensured the bonus for the year 2023. Our intention was to retain all employees intact during the difficult times.

EMPLOYEE RETENTION

We have a clear strategy to increase employee retention rates with career mapping, equality, respect & upholding employees' dignity, remuneration package in par with the industry, ample opportunities for rewards and recognition. In return 23 (70%) employees are above 40 years excluding directors contributing their experiences for the value addition.

CODE OF CONDUCT, ETHICS AND ANTI-CORRUPTION BEHAVIOUR

The Autodrome PLC expects all its employees to ensure compliance with the laws and regulations applicable to its business. Moreover, the Code directs employees towards ethical conduct which helps uphold a high standard of business integrity. We have a zero tolerance for violence and harassment.

ENVIRONMENT

OUR APPROACH

The Autodrome PLC and our business partner Bridgestone are cognizant of the fact that we derive our sustenance from the environment. In doing so, our business activities impact our planet's renewable and non-renewable resources and ecosystems. Being a stakeholder in the transport industry, means that our carbon footprint is of concern.

Our environmental strategy is to minimize the impact on the environment through the Company's operations and inspire employees and society towards constructing a greener environment. Keeping this in mind we took several initiatives towards our environmental commitment as detailed below.

OUR INITIATIVE TO MAINTAIN GREENER SURROUNDINGS

Our commitment to a greener environment can be witnessed at head office at Union Place and at Ja-Ela stores, a well trained staff actively looks after the plants within our premises. The greenery is well looked after. keeping the surroundings clean. and we are committed to maintain this green environment. Our main product range Bridgestone Ecopia, reduces carbon emissions through lower rolling resistance, saving fuel and money for our valued end-users.

OUR INITIATIVES TO REDUCE PAPER USAGE

We looked at our internal processes and systems to reduce the negative impacts caused to the environment through paper usage in our business processes to adhere to the 3R concept of Reduce, Reuse and Recycle in paper waste management. Process improvements were already identified where use of papers could be reduced and implementation is in progress. Use of both sides of paper, printing documents only when absolutely necessary and collection of waste paper for recycling were some of the initiatives taken to reduce paper usage. Our new Management Information System cuts out the need for printing excessive ad-hoc reports.

GOVERNMENT & REGULATORY AUTHORITIES

We are committed to comply with all statutory and regulatory requirements. As a tax payer our Group obtained a certificate from the department for timely submitting tax

STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The responsibilities of the External Auditors in relation to the Financial Statements are set out in the "Independent Auditors' Report" given on pages 30 to 32. In terms of Sections 150 (1), 151, 152 and 153 (1) and (2) of the Companies Act No. 07 of 2007, the Board of Directors of the Company are responsible for ensuring that the Group and the Company keep proper books of account of all the transactions and prepare Financial Statements that give a true and fair view of the financial position of the Group and the Company as at end of each financial year and place them before a general meeting. The Financial Statements comprise the Statement of Financial Position as of 31st March 2025, the Income Statement and Statement of Profit or Loss and Other Comprehensive Income, the Statement of Changes in Equity, the Statement of Cash Flows for the year then ended and Notes thereto. Accordingly, the Board of Directors confirms that the Financial Statements of the Group and the Company give a true and fair view of the

- financial position of the Group and the Company as of March 31, 2025; and
- financial performance of the Group and the Company for the financial year then ended.

(a) appropriate Accounting Policies have been selected and applied in preparing the Financial Statements exhibited on pages 38 to 49 based on the latest financial reporting framework on a consistent basis, while reasonable and prudent judgments have been made so that the form and substance of transactions are properly reflected and material departures, if any, have been disclosed and explained;

(b) the Financial Statements for the year 2025, prepared and presented in this Annual Report are in agreement with the underlying books of account and are in conformity with the requirements of the following:

- Sri Lanka Accounting Standards;
- Companies Act No. 07 of 2007 (Companies Act);
- Sri Lanka Accounting and Auditing Standards Act No. 15 of 1995;
- Listing Rules of the Colombo Stock Exchange (CSE), and

(c) proper accounting records which correctly record and explain the Company's transactions have been maintained as required by Section 148 (1) of the Companies Act to determine at any point in time the Company's financial position, with reasonable accuracy, enabling the preparation of the Financial Statements, in accordance with the Companies Act to facilitate the proper audit of the Financial Statements;

(d) they have taken appropriate steps to ensure that the Group and the Company maintain proper books of account and review the financial reporting system directly by them at their regular meetings and also through the Audit Committee. The Report of the said Committee is given on page 12. The Board of Directors approves the Interim Financial Statements following a review and recommendation by the Audit Committee;

(e) they accept responsibility for the integrity and objectivity of the Financial Statements presented in this Annual Report;

(f) they have taken reasonable measures to safeguard the assets of the Group and the Company and to prevent and detect fraud and other irregularities. In this regard, the Board of Directors have instituted what they reasonably believe is an effective and comprehensive system of internal controls comprising internal checks, internal audit, and financial and other controls required to carry on the business in an orderly manner and safeguard its assets and secure as far as practicable, the accuracy and reliability of the records.

(g) to the best of their knowledge, all taxes, duties and levies payable by the Company and its Subsidiaries, all contributions, levies and taxes payable on behalf of and in respect of the employees of the Company and its Subsidiaries, and all other known statutory dues as were due and payable by the Company and its Subsidiaries as at the reporting date have been paid or, where relevant, provided for.

(h) as required by Sections 166 (1) and 167 (1) of the Companies Act, they have prepared this Annual Report in time and ensured that a copy thereof is sent to every shareholder of the Company as required by Rule 7.5 (a) and (b) on Continuing Listing Requirements of the Listing Rules of the CSE;

(i) that all shareholders in each category have been treated equitably in accordance with the original terms of issue;

(j) that the Company has met all the requirements under Rule 7 on Continuing Listing Requirements of the Listing Rules of the CSE, where applicable;

(k) the Financial Statements of the Group and the Company have been certified by Mr.Gayan Joseph, Head of Finance who is responsible for the preparation of accounts, as required by Sections 150 (1) (b) and 152 (1) (b) of the Companies Act and also have been signed by Two Directors of the Company on 4th September 2025 as required by Sections 150 (1) (c) and 152 (1) (c) of the Companies Act and other regulatory requirements; and (n) the Company's External Auditors, Messrs. Ernst & Young who were appointed in terms of Section 158 of the Companies Act and in accordance with a resolution passed at the last Annual General Meeting, were provided with every opportunity to undertake the inspections they considered appropriate. They carried out reviews and sample checks on the system of internal controls as they considered appropriate and necessary for expressing their opinion on the Financial Statements and maintaining accounting records. They have examined the Financial Statements made available to them by the Board of Directors together with all the financial records, related data, and minutes of shareholders' and Directors' meetings and expressed their opinion which appears as reported by them on pages 30 to 32. Accordingly, the Board of Directors are of the view that they have discharged their responsibilities as set out in this Statement.

INDEPENDENT AUDITOR'S REPORT

TO THE SHAREHOLDERS OF THE AUTODROME PLC

Report on the audit of the financial statements

Opinion

We have audited the financial statements of The Autodrome PLC ("the Company") and the consolidated financial statements of the Company and its subsidiaries ("the Group"), which comprise the statement of financial position as at 31 March 2025, and the statement of profit or loss, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information

In our opinion, the accompanying financial statements of the Company and the Group give a true and fair view of the financial position of the Company and the Group as at 31 March 2025 and of their financial performance and cash flows for the year then ended in accordance with Sri Lanka Accounting Standards.

Basis for opinion

We conducted our audit in accordance with Sri Lanka Auditing Standards (SLAuSs). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Group in accordance with the Code of Ethics for Professional Accountants issued by CA Sri Lanka (Code of Ethics) and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

Key audit matter	How our audit addressed the key audit matter
Revenue from Contract with Customers	
The Group derived its revenue of 475 Mn from the sale of goods as disclosed in note 4 to the financial statements. Revenue was a key audit matter due to: - the materiality of the reported amount coupled with the increase of 175% compared to the previous year.	Our audit procedures included the following key procedures: - Tested relevant key controls relating to revenue from sale of goods. - Performed appropriate analytical procedures to understand and assess the reasonableness of reported revenue. - Tested the revenue transactions by reviewing the sales orders, sales invoices and delivery notes. Our procedures included testing revenue cut-off at the period-end date to determine whether transactions are recorded in the proper period and to the proper accounts and testing journal entries recognised to revenue. We also assessed the adequacy of related disclosures in Note 2.15.1 and 5 to the financial statements.

Other information included in the 2025 Annual Report

Other information consists of the information included in the Annual Report, other than the financial statements and our auditor's report thereon. Management is responsible for the other information.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the management and those charged with governance

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with Sri Lanka Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's and the Group's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SLAuSs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SLAuSs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal controls of the Company and the Group.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with ethical requirements in accordance with the Code of Ethics regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

As required by section 163 (2) of the Companies Act No. 07 of 2007, we have obtained all the information and explanations that were required for the audit and, as far as appears from our examination, proper accounting records have been kept by the Group.

CA Sri Lanka membership number of the engagement partner responsible for signing this independent auditor's report is 7752.

1. CORPORATE INFORMATION

1.1 Reporting Entity

1.1.1 General

The Autodrome PLC (Parent Company) is a public limited liability Company incorporated and domiciled in Sri Lanka. The registered office of the Company is located at No. 304, Union Place, Colombo 02, and the principal place of business is located at the above address.

1.1.2 Principal Activities and Nature of Operations

The principal activities of the Company are to import and distribute tyres and provide ancillary services.

Tourama (Private) Limited, the subsidiary of The Autodrome PLC, is a private limited liability Company incorporated and domiciled in Sri Lanka and is engaged as a travel agent and destination management Company.

1.1.3 Parent Entity and Ultimate Parent Entity

The Company do not have a parent entity. The company's shares have been listed in the Colombo Stock Exchange (CSE) and majority of the shares of the company is held by individuals.

1.1.4 Date of Authorization for Issue

The Financial Statement of The Autodrome PLC for year ended 31 March 2025 was authorized for issue in accordance with a resolution of the Board of Directors dated 4th September 2025.

1.2 BASIS OF PREPARATION

1.2.1 Statement of Compliance

The consolidated Financial Statements of the Group and the separate Financial Statements of the Company, have been prepared and presented in accordance with the Sri Lanka Accounting Standards (SLFRSs and LKASs), laid down by The Institute of Chartered Accountants of Sri Lanka (CA Sri Lanka).

The preparation and presentation of these financial statements is in compliance with the requirements of the Companies Act No.07 of 2007.

1.2.2 Basis of Measurement

The financial statements of the Company and the Group have been prepared on a historical cost basis, except for the following material items in the statement of financial position,

- The liability of defined benefit obligations is measured at present value
- Land and Buildings which are classified under Property, Plant and Equipment are measured at cost at the time of the acquisition and subsequently carried at fair value.

Where appropriate, the specific policies are explained in the succeeding notes.

1.2.3 Events Occurring After the Reporting Period

The materiality of the events occurring after the reporting date is considered and appropriate adjustments or disclosures are made in the Financial Statements in Note 24.

1.2.4 Functional and Presentation Currency

The functional currency is the currency of the primary economic environment in which the entities of the Group operate.

The Financial Statements are presented in Sri Lankan Rupees which is the functional currency of the Company and its Subsidiary.

All financial information presented in Sri Lanka Rupees has been rounded to the nearest thousand, unless otherwise stated.

1.2.5 Basis of Consolidation

The Consolidated Financial Statements comprise the Financial Statements of the Company and its subsidiary as at the reporting date. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee.

Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns

The country of incorporation, effective shareholding and principal activities of the subsidiary incorporated in the Financial Statements are as follows:

Name of the subsidiary	Country of incorporation	Effective shareholding	
		2025	2024
Tourama (Private) Limited	Sri Lanka	99.99%	99.99%

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the Consolidated Financial Statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

All intra-group assets, liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated full on consolidation.

Transactions Eliminated on Consolidation

Intra-group balances and transactions, and any unrealised income and expenses arising from intra-group transactions are eliminated in preparing the Consolidated Financial Statements. Unrealised gains arising from transactions with equity accounted investees are eliminated against the investment to the extent of the Group's interest in the investee. Unrealized losses are eliminated in the same way as unrealized gains, but only to the extent that there is no evidence of impairment.

If the Group loses control over a subsidiary, it derecognises the related assets (including goodwill), liabilities and other components of equity while any resultant gain or loss is recognised in the Consolidated Statement of Profit or Loss.

The Financial Statements of the subsidiary is prepared for the same reporting period as the holding Company. The accounting policies set out below have been applied consistently by the Group entities to all periods presented in the Financial Statements.

1.2.6 Changes in Accounting Policies

1.2.6.1 New and Amended Standards and Interpretations

The accounting policies adopted by the Group are consistent with those used in the previous financial year. The Group has not early adopted any other standard, interpretation or amendment that has been issued but is not yet effective.

1.2.7 Comparative Information

Comparative information has been presented in respect of the preceding period for all amounts reported in the current period.

1.2.8 Use of Estimates and Judgements

The preparation of the Financial Statements in conformity with SLFRS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

The Estimates and underlying assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results which form the basis of making the judgments about the carrying amount of assets and liabilities that are not readily apparent from other sources. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Information about critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements are included in the following notes to these financial statements.

Going Concern

The Group has prepared the financial statements for the year ended 31 March 2025 on the basis that it will continue to operate as a going concern. In determining the basis of preparing the financial statements for the year ended 31 March 2025, based on available information, the management has assessed the prevailing economic conditions and its effect on the Group and the appropriateness of the use of the going concern basis. It is the view of the management that there are no material uncertainties that may cast significant doubt on the Group's ability to continue to operate as a going concern.

Employee Benefit Liability - Gratuity

The cost as well as the present value of defined benefit plans - gratuity is determined using Actuarial Valuations. The Actuarial Valuation involves making assumptions about discount rates, future salary increases and other important related data. Due to the long term nature of employee benefits, such estimates are subject to significant uncertainty. Refer Notes 18 and 2.11.2

Useful Lives of Property, Plant and Equipment

Management assigns useful lives to Property, Plant and Equipment based on the intended use of assets and the economic lives of these assets. Subsequent changes in circumstances such as technological advances or utilization of the assets concerned could result in the actual useful lives differing from initial estimates. Management reviews annually the useful lives of major items of Property, Plant and Equipment. Refer Notes 10 and 2.4.3.

Fair value of Freehold Land and Buildings

The Group measures freehold land and buildings at fair value with changes in fair value being recognized in other comprehensive income. Land and buildings were valued by reference to market-based evidence, using comparable prices adjusted for specific market factors such as nature, location and condition of the property. The valuer has used valuation techniques such as market values and discounted cash flow method where there was lack of comparable market data available based on the nature of the property. Refer Note 10.2.

Provision for Obsolete Stocks

A provision for slow moving inventories is recognised based on the best estimates available to management on their future salability. As Management uses present conditions and historical information as the basis to determine the future salability, actual future losses on inventories could vary from the allowance made in these financial statements. Refer Note 14.

Impairment losses on Trade & Other Receivables

The Group reviews its individually significant Receivables at each reporting date to assess whether an impairment loss should be recorded in the Statement of Profit or Loss. In particular, management's judgment is required in the estimation of the amount and timing of future cash flows when determining the impairment loss. These estimates are based on assumptions about a number of factors and actual results may differ, resulting in future changes to the impairment allowance. The Group applies a simplified approach in calculating ECLs for the impairment assessment.

Receivables that have been assessed individually and found not to be impaired and all individually insignificant Receivables are then assessed collectively, in groups of assets with similar risk characteristics, to determine whether provision should be made due to incurred loss events for which there is objective evidence, but the effects of which are not yet evident.

The impairment loss on Trade & Other Receivables is disclosed in Note 15.

1.2.9 Materiality and Aggregation

Each material class of similar items is presented separately in the Financial Statements. Items of dissimilar nature or function are presented separately unless they are immaterial as permitted by the Sri Lanka Accounting Standard – LKAS 1 on 'Presentation of Financial Statements' and amendments to the LKAS 1 on 'Disclosure Initiative' which was effective from 01 January 2016.

Notes to the financial statements are presented in a systematic manner which ensures the understandability and comparability of financial statements of the Group and the Company. Understandability of the financial statements is not compromised by obscuring material information with immaterial information or by aggregating material items that have different natures or functions.

2. SUMMARY OF MATERIAL ACCOUNTING POLICY INFORMATION

2.1 Foreign Currency

Foreign Currency Translations and Balances

The Financial Statements are presented in Sri Lanka Rupees, which is the Group's functional and presentation currency. Transactions in foreign currencies are initially recorded at the functional currency rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the functional currency rate of exchange ruling at the Statement of Financial Position date. All differences are taken to the Statement of Profit or Loss.

2.2 Assets and Bases of their Valuation

The Group presents assets and liabilities in statement of financial position based on current/non-current classification. An asset as current when it is:

- Expected to be realized or intended to sold or consumed in a normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.
A liability is current when:

- it is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Group classifies all other liabilities as non-current.

2.3 Fair Value Measurement

The Group measures financial instruments such as financial assets at fair value through profit or loss, and non-financial assets such as Land and Buildings classified under Property, Plant and Equipment at fair value at each reporting date. Fair value related disclosures for financial instruments and non-financial assets that are measured at fair value or where fair values are disclosed are summarized in Note 23.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved for valuation of significant assets, such as Land. Involvement of external values is decided upon annually by the Management after discussion with and approval by the Group's Audit Committee. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. The Management decides, after discussions with the Group's external valuers, which valuation techniques and inputs to use for each case.

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be premeasured or re-assessed as per the Group's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Management presents the valuation results to the Audit Committee and the Group's independent auditors. This includes a discussion of the major assumptions used in the valuations.

The Management, in conjunction with the Group's external valuers, also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

2.4 Property, Plant and Equipment

2.4.1 Basis of recognition

Property, plant and equipment is recognised if it is probable that future economic benefits associated with the assets will flow to the Group and cost of the asset can be reliably measured.

2.4.2 Measurement and Subsequent Costs

Property, Plant and Equipment is recorded at cost less accumulated depreciation and any accumulated impairment in value except for Land & Buildings.

Cost includes expenditures that are directly attributable to the acquisition of the asset. The cost of self-constructed assets includes the cost of materials and direct labour, any other costs directly attributable to bringing the asset to a working condition for its intended use, and the cost of dismantling and removing the items and restoring the site on which they are located.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

Free hold land and buildings are subsequently measured at fair value. Valuations are performed at least once in every 5 years (or frequently enough) to ensure that the fair value of a revalued asset does not differ materially from its carrying amount.

A revaluation surplus is recognised in other comprehensive income and credited to the revaluation surplus in equity. However, to the extent that it reverses a revaluation deficit of the same asset previously recognised in the income state meant, in which case the increase is recognised in the income statement. A revaluation deficit is recognised in profit or loss, except to the extent that it offsets an existing surplus on the same asset recognised in the asset revaluation reserve. Upon disposal, any revaluation reserve relating to the particular asset being sold is transferred to retained earnings. In relation to depreciable assets carried at fair value until retirement and/or disposal, an amount of the surplus that is the difference between depreciation based on the revalued carrying amount of the asset and depreciation based on the asset's original cost is transferred to retained earnings.

2.4.3 Depreciation

Depreciation is calculated on a straight-line basis over the useful life of the assets. Useful lives for the current and comparative periods are as follows.

	2025	2024
Buildings	50 Years	50 Years
Furniture and Fittings	4 Years	4 Years
Motor Vehicles	4 Years	4 Years
Plant and Machinery	4 Years	4 Years
Computers	4 Years	4 Years

The asset's residual values, useful lives and methods of depreciation are reviewed, and adjusted if appropriate, at end of each reporting period. An estimation change in the useful life of property, plant and equipment is considered a revisions to an accounting estimates and recognised prospectively.

2.4.4 Derecognition

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognizing of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the profit or loss statement in the year the asset is derecognised.

2.4.5 Summary Description of Valuation Methodologies.

Open Market Value Method

Open market value method uses prices and other relevant information generated by market transactions involving identical or comparable assets, liabilities or a group of assets, liabilities or a group of assets and liabilities such as a business

Depreciated Replacement Cost Method.

Depreciated replacement cost uses the current cost of reproduction or replacement of an asset loss deductions for physical deterioration and all relevant forms of obsolescence and optimization.

2.4.6 Dual Purpose Properties

Under LKAS 40, Group determines investment property from dual purpose properties based on the salability and relative percentage of usage.

The Group will recognize a dual-purpose property as an investment property when 75% of the floor area of the property is rented to third parties or the portion that is under a Finance Lease and/or is held for sale. As of reporting date all the rented areas are under operating leases, which are

due to expire within the next three years.

2.5 Intangible Assets

Basis of recognition

An Intangible asset is recognised if it is probable that the future economic benefits associated with the assets will flow to the Group and cost of the assets can be reliably measured.

Measurement and Subsequent Costs

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and any accumulated impairment losses. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the profit or loss statement in the year in which the expenditure is incurred.

2.5.1 Amortization

The useful lives of intangible assets are assessed to be either finite or indefinite. The estimated useful lives of intangible assets with finite lives are as follows.

Asset class	Useful life
Computer software	4 years

Intangible assets with finite lives are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period.

Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset is accounted for by changing the amortization period or method, as appropriate, and treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is recognised in the profit or loss statement in the expense category consistent with the function of the intangible asset.

2.5.2 Derecognition

Intangible assets are de-recognised on disposal or when no future economic benefits are expected from its use. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognized

2.6 Inventories

Inventories are valued at the lower of cost and net realizable value, and cost includes expenses in bringing each product to its present location and condition. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs to sell.

The cost incurred in bringing inventories to its present location and conditions are accounted using the following cost formula:

Finished Goods – At Weighted Average Cost of Purchase
Goods In Transit- At cost

2.7 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instrument of another entity.

2.7.1 Financial Assets

a) Financial Assets - Initial Recognition and Subsequent Measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortized cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Group's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient, the Group initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs.

Trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient are measured at the transaction price determined under SLFRS 15.

In order for a financial asset to be classified and measured at amortized cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

b) Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in four categories.

- Financial assets at amortized cost (debt instruments)
- Financial assets at fair value through OCI with recycling of cumulative gains and losses (debt instruments)
- Financial assets designated at fair value through OCI with no recycling of cumulative gains and losses upon de-recognition (equity instru ments)
- Financial assets at fair value through profit or loss

Financial assets at amortized cost

This category is the most relevant to the Group. The Group measures financial assets at amortized cost if both of the following conditions are met:

- The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows, and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

Financial assets at amortized cost are subsequently measured using the effective interest (EIR) method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognized, modified or impaired.

The Group's financial assets at amortized cost includes trade receivables, amounts due from related parties and Cash and Cash Equivalents.

Financial assets at fair value through profit or loss

Financial assets at fair value through profit or loss include financial assets held for trading.

Financial assets at fair value through profit or loss are carried in the statement of financial position at fair value with net changes in fair value recognised in the statement of profit or loss.

c) Derecognition

A financial asset is derecognized when the rights to receive cash flows from an asset have expired or the Group has transferred substantially all the risks and reward of the asset.

d) Impairment of Financial Assets

The Group recognises an allowance for expected credit losses (ECLs) for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Group expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

For trade receivables and contract assets, the Group applies a simplified approach in calculating ECLs. Therefore, the Group does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Group has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows. The Group considers a financial asset in default when contractual payments are 365 days past due. However, in certain cases, the Group may also consider a financial asset to be in default when internal or external information indicates that the Group is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Group.

2.7.2 Financial Liabilities

a) Initial Recognition and Measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and in the case of loans and borrowings net of directly attributable transaction costs.

The Group's financial liabilities include trade and other payables, bank overdrafts, loans and borrowings, financial guarantee contracts, derivatives and amounts due to related parties.

b) Subsequent Measurement

The measurement of financial liabilities depends on their classification as described below:

Loans and borrowings

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognised in the Statement of Profit or Loss when the liabilities are derecognized as well as through the EIR amortization process

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in the Statement of Profit or Loss

c) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

2.7.3 Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount reported in the statement of financial position if, and only if;

- There is a currently enforceable legal right to offset the recognised amounts and
- There is an intention to settle on a net basis, or to realize the assets and settle the liabilities simultaneously.

2.7.4 Fair Value of Financial Instruments

The fair value of financial instruments that are traded in active markets at each reporting date is determined by reference to quoted market prices. For financial instruments not traded in an active market, the fair value is determined using appropriate valuation techniques. Such techniques may include using recent arm's length market transactions; reference to the current fair value of another instrument that is substantially the same; a discounted cash flow analysis or other valuation model

2.8 Cash and Cash Equivalents

Cash and cash equivalents are cash in hand, demand deposits and short-term highly liquid investments, readily convertible to known amounts of cash and subject to insignificant risk of changes in value.

For the purpose of cash flow statement, cash and cash equivalents consist of cash in hand and deposits in banks net of outstanding bank overdrafts. Investments with short maturities i.e. three months or less from the date of acquisition are also treated as cash equivalents.

2.9 Impairment of Non-Financial Assets

The Company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial assets is impaired. If any such indication exists, or when annual impairment testing for an asset is required, the Group makes an estimate of the Group of non-financial asset's recoverable amount.
An asset's recoverable amount is the higher of an asset's or cash generating unit's fair value less costs to sell or its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of non-financial assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The amount of impairment losses are recognised in the profit and loss during the reporting period.

2.10 Liabilities and Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, where it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Liabilities classified as current liabilities in the Statement of Financial Position are those obligations payable on demand or within one year from the reporting date.

2.11 Retirement benefit Obligations

2.11.1 Defined Contribution Plans– Employees' Provident Fund & Employees' Trust Fund

Employees are eligible for Employees' Provident Fund Contributions and Employees' Trust Fund Contributions in line with the respective statutes and regulations in Sri Lanka. The Group contributes 12 % and 3% of gross emoluments of employees to Employees' Provident Fund and Employees'

Trust Fund respectively.

2.11.2 Defined Benefit Plan – Retirement Gratuity

The retirement benefit plan adopted is as required under the Payment of Gratuity Act No.12 of 1983.

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The defined benefit is calculated by independent actuaries. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates that are denominated in the currency in which the benefits will be paid, and that have terms to maturity approximating to the terms of the related liability.

The present value of the defined benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. Key assumptions used in determining the defined retirement benefit obligations are given in Note 18. Any changes in these assumptions will impact the carrying amount of defined benefit obligations.

The actuarial valuation was carried out by a professionally qualified firm of actuaries, Messrs. Smiles Global (Private) Limited as at 31 March 2025. The liability is not externally funded.

2.12 Taxation

2.12.1 Current Income Tax

Current income tax assets and liabilities for the current period are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income taxes relating to items recognised directly in Other Comprehensive Income are also recognised in Other Comprehensive Income and not in the statement of profit or loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

2.12.2 Deferred Tax

Deferred tax is provided using the liability method on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax liabilities are recognised for all taxable temporary differences, except:

- Where the deferred tax liability arises from the initial recognition of goodwill or of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized, except:

- Where the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss

- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Current tax and deferred tax relating to items recognised directly in statement of other comprehensive income are also recognised in statement of other comprehensive income and not in the statement of profit or loss.

Deferred tax assets and liabilities are set off if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

2.12.3 Sales Tax

Revenues, expenses and assets are recognised net of the amount of sales tax, except:

- Where the sales tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case the sales tax is rec ognised as part of the cost of acquisition of the asset or as part of the expense item as applicable

Receivables and payables are stated with the amount of sales tax included. The net amount of sales tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the statement of financial position.

2.13 Capital Commitments and Contingencies

All material capital commitments and contingent liabilities which exist as at the reporting date are disclosed in the Financial Statements in Note 25.

2.14 Related Party Disclosures

Disclosures are made in respect of related party transactions in accordance with LKAS 24. Refer Note 21

2.15 Statement of Profit or Loss

For the purpose of presentation of the statement of profit or loss, the function of expenses method is adopted.

2.15.1 Revenue from Contracts with Customers

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue and associated costs incurred or to be incurred can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, net of trade discounts and sales taxes. The following specific recognition criteria are used for the purpose of recognition of revenue:

Sale of Goods
Revenue from sales of goods is recognized at the point in time when control of the goods is transferred to the customer, generally on delivery of the goods which include one performance obligation. In determining the transaction price for the sale of goods, the Group considers the effects of variable considerations.

2.15.2 Contract Assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Group performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional. Refer Note 15.

2.15.3 Other Income

a) Dividends
Dividend income is recognised when the shareholder's right to receive payment is established.

b) Rental Income
Rental income is recognised on an accrual basis.

c) Gains and Losses
Net gains and losses of a revenue nature on the disposal of Property, Plant & Equipment and other non-current assets including investments are accounted for in the Statement of Profit or Loss, after deducting from proceeds on disposal, the carrying amount of the assets and related selling expenses.

Gains and losses arising from activities incidental to the main revenue generating activities and those arising from a group of similar transactions which are not material, are aggregated, reported and presented on a net basis.

d) Other Income
Other income is recognised on an accrual basis.

2.15.4 Expenditure Recognition

Expenses are recognised in the statement of profit or loss on the basis of a direct association between the cost incurred and the earnings of specific items of income.

All expenditure incurred in the running of the business has been charged to income in arriving at the profit for the year.

Repairs and renewals are charged to the statement of profit or loss in the year in which the expenditure is incurred.

2.15.5 Finance Income and Finance Costs

Finance income comprises interest income on funds invested. Interest income is recognised based on the EIR in the Statement of Profit or Loss.

Finance costs comprise interest expense on borrowings, unwinding of the discount on provisions, changes in the fair value of financial assets at fair value through profit or loss, and losses on hedging instruments that are recognised in the statement of profit or loss.

2.16 Earnings Per Share

The Group presents basic and diluted Earnings Per Share (EPS) for its ordinary shares. Basic EPS is calculated by dividing the profit attributable to ordinary shareholders of the Company by the weighted-average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares.

3. NEW AND AMENDED STANDARDS AND INTERPRETATIONS

The following SLFRS have been issued by the Institute of Chartered Accountants of Sri Lanka that have an effective date in the future and have not been applied in preparing these financial statements.

SLFRS 17 - Insurance Contracts

SLFRS 17 is a comprehensive new accounting standard for insurance contracts covering recognition and measurement, presentation and disclosure. Once effective, SLFRS 17 will replace SLFRS 4 Insurance Contracts (SLFRS 4) that was issued in 2005. SLFRS 17 applies to all types of insurance contracts (i.e., life, non-life, direct insurance and re-insurance), regardless of the type of entities that issue them, as well as to certain guarantees and financial instruments with discretionary participation features. The core of SLFRS 17 is the general model, supplemented by:

- A specific adaptation for contracts with direct participation features (the variable fee approach)
- A simplified approach (the premium allocation approach) mainly for short-duration contracts

SLFRS 17 is effective for annual reporting periods beginning on or after 1 January 2026, with comparative figures required. Early application is permitted, provided the entity also applies SLFRS 9 and SLFRS 15 on or before the date it first applies SLFRS 17. However, SLFRS 17 will be neither affected nor applied to the Group since Group has not been engaged in Insurance contracts.

Lack of exchangeability – Amendments to LKAS 21

The amendments specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking.

The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows.

The amendments will be effective for annual reporting periods beginning on or after 1 January 2025. Early adoption is permitted, but will need to be disclosed. When applying the amendments, an entity cannot restate comparative information.

The amendments are not expected to have a material impact on the Group's financial statements.

4. REVENUE

For the year ended 31 March	GROUP		COMPANY	
	2025 LKR'000	2024 LKR'000	2025 LKR'000	2024 LKR'000

8. INCOME TAX

The major components of income tax expense for the years ended 31 March are as follows :
Statement of Profit or Loss

8.1. Current Income Tax

For the year ended 31 March	GROUP		COMPANY	
	2025 LKR'000	2024 LKR'000	2025 LKR'000	2024 LKR'000
Current Income Tax charge (Note 8.2)	17,538	12,866	16,507	11,337
Deferred Income Tax				
Deferred Taxation Charge/(Reversal) (Note 8.3)	(1,268)	14,252	(1,268)	14,252
Income tax expense reported in the Statement of profit or loss	16,270	27,118	15,239	25,589

8.2. A reconciliation between tax expense and the product of accounting profit / (loss) multiplied by the statutory tax rate is as follows:

For the year ended 31 March	GROUP		COMPANY	
	2025 LKR'000	2024 LKR'000	2025 LKR'000	2024 LKR'000
Accounting Profit Before Tax	46,164	32,282	42,672	27,188
Deductible Expenses	(64,318)	(101,273)	(62,311)	(98,779)
Non Deductible Expenses	28,053	21,358	28,053	21,358
Profit /(Loss)from Business	9,899	(47,633)	8,414	(50,233)
Interest Income	48,698	90,654	46,609	88,024
Total Statutory Income	58,597	43,021	55,023	37,791
Taxable Profit	58,597	43,021	55,023	37,791
Income Tax - 30% - on Second 06 Months	17,538	12,865	16,507	11,337
Income Tax Expense reported in the Statement of profit or loss	17,538	12,866	16,507	11,337

8.3. Deferred Tax Liability

For the year ended 31 March	GROUP		COMPANY	
	2025 LKR'000	2024 LKR'000	2025 LKR'000	2025 LKR'000
Balance as at 31st March	616,340	579,540	616,340	579,540
Charge/ (Reversal) Recognised in Profit or Loss				
Arising on During the Year Movement	(1,268)	16,417	(1,268)	(16,417)
Due to Change in Tax Rates	-	(2,165)	-	(2,166)
	(1,268)	(14,252)	(1,268)	14,252
Charge/ (Reversal) Recognised in Other Comprehensive Income				
Arising on During the Year Movement	1,378	(1,535)	1,378	(1,535)
Due to Change in Tax Rates	-	24,083	-	24,083
	1,378	22,549	1,378	22,549
At the end of the year	616,450	616,340	616,450	616,340

8.4. Deferred Tax Assets, Liabilities and Income Tax relates to the following - Group / Company

As at 31 March 2024	1,758,949	338,373	2,109	1	107	714	2,100,253

10.1.4. Additions during the financial year.

During the financial year, the Group and the company acquired Property, Plant and Equipment to the aggregate value of Rs.7,892,911/- (2024 - Rs.1,914,661/-). Property Plant and Equipment included fully depreciated assets having a gross carring amount of Rs. 108,780,465/-as on 31/03/2025.

In compliance with the accounting policy, the Group revalued the Union Place land and building with the assistant of an independent professional valuer and consultant, Mr.J.M.J Fernando, Incorporated valuer of the Institute of Valuers (Sri Lanka) as at 31 March 2024. The Ja-Ela land and building was revalued by independent valuer and consultant, Mr. Sunil Wickramaarachchi, Incorporated valuer of the Institute of Valuers (Sri Lanka) as at 31 March 2024.

10.1.5. Primary mortgage over properties located at No 304 & 304/1 Union place, Colombo 02.for Rs.250Mn.

10.2. The details of land and buildings which are stated at fair valuation are as follows:

In line with the Group's accounting policy & LKAS 16, Lands & buildings are carried at Fair Value and the valuations are performed at least once in every 5 years (or frequently enough) by an independent qualified valuer to ensure that the fair value of a revalued asset does not differ materially from its carrying amount. In compliance with the accounting policy, the Group revalued the Union Place land and building with the assistant of an independent professional valuer and consultant, Mr.J.M.J Fernando, Incorporated valuer of the Institute of Valuers (Sri Lanka) as at 31 March 2024. The Ja-Ela land and building was revalued by independent valuer and consultant, Mr. Sunil Wickramaarachchi, Incorporated valuer of the Institute of Valuers (Sri Lanka) as at 31 March 2024.

As such, the last valuation of land and buildings were carried out on 31 March 2024 by independent & professional valuers. The Group Management has carried out an assessment of the reasonability of the fair values of its land and buildings as of 31 March 2025 and determined that the fair value of such assets does not differ materially from its carrying amounts.

10.2. 1. The details of land and buildings which are stated at fair valuation are as follows:

Details of Properties					Fair value measurement Basis & Sensitivity of Inputs		
Location	Extent	Method of Valuation	Date of Valuation	Details of Independent Valuer	Fair Value (Rs.)	Significant unobservable inputs (Level 3)	Interrelationship between key unobservable inputs and fair value measurements
Land at Union Place, Colombo 02.(Lot 01)	00 A - 00 R - 24.42 P	Market Approach	31st March 2024	J.M.J Fernando, Incorporated valuer of the Institute of Valuers (Sri Lanka)	549,450,000	Rs.22,500,000 pp (2022 - Rs. 19,000,000 pp)	Positive correlated sensitivity
Land at Union Place, Colombo 02.(Lot 02)	00 A - 01 R - 27.47P	Market Approach	31st March 2024		1,180,725,000	Rs.17,500,000 pp (2022 - Rs. 19,000,000 pp)	Positive correlated sensitivity
Building at Union Place, Colombo 02. (front)	16,544 Sq.ft	Cost Approach	31st March 2024		157,079,728	Rs.17,250 to Rs.6,000 per Sq. Ft (2021-Rs.12,000-Rs.4,500 per Sq. Ft)	Positive correlated sensitivity
Building at Union Place, Colombo 02. (rear)	17,950 Sq.ft	Cost Approach	31st March 2024		170,300,625	Rs. 13,750 per Sq. Ft (2021-Rs.12,000-Rs.4,500 per Sq. Ft)	Positive correlated sensitivity
Land at Ja-Ela	0A 2R 08.40P	Market Approach	31st March 2024	Mr. Sunil Wickramaarachchi, Incorporated valuer of the Institute of Valuers (Sri Lanka)	28,774,200	Rs.325,500 pp (2021- Rs. 285,000 pp)	Positive correlated sensitivity
Building at Ja-Ela	9856 Sq. Ft	Cost Approach	31st March 2024		10,992,900	Rs.1925-Rs.930 per Sq. Ft (2021-Rs.1,635-Rs.790 per Sq. Ft)	Positive correlated sensitivity

Details of Valuation methods & relevant Significant unobservale inputs

Cost Approach The valuation carried out on cost approach are based on the depreciated cost of the building elemnt. Current building cost of the buildings will be established by comparison. The vauation model is based on value per suare foot which consitute the significant unobservable inputs involved.

Market Approach The valuation carried out on market approach are based on sale prices of comparable land in similar locations, adjsted for differences in key attributes such as land size. The valuation model is based on value per perch which constitute the significant unobservable inputs involved

10.3. The carrying amount of revalued assets that would have been included in the financial statements of the Group/Company had the assets been carried at cost less depreciation is as follows:

Class of Asset	Cost	Cumulative Depreciation if Assets were Carried at Cost Rs.	Net Carrying Amount 2025	Net Carrying Amount 2024
	Rs.		Rs.	Rs.
Group / Company				
Land	7,322	-	7,322	7,322
Building	112,000	10,875	101,125	69,000
	119,322	10,875	108,447	76,322

10.4 Lot 01 of above and at Union Place, Colombo 02 has been mortgage against the banking faciliteis obtained from Hatton National Bank PLC.

22. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group's principal financial liabilities, comprise trade and other payables and bank overdraft. The main purpose of these financial liabilities is to finance the Group's operations and assets. The Group has trade and other receivables, and other investments that arrive directly from its operations
The Group is exposed to market risk, credit risk and liquidity risk. The Group's oversees the management of these risks. The Group's senior management advises on financial risks and the appropriate financial risk governance framework for the Group.

Market Risk
Market risk is the risk of losses in positions arising from movements in market prices. Market risk exposed by the Group comprise of interest rate risk, Foreign currency risk, Credit Risk and Liquidity risk.
Interest rate risk
Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Fluctuation in interest rate has a impact on bank overdrafts. Group's interest rate varies according to the Bank.

Credit risk
Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Group is exposed to credit risk from its operating activities (primarily for trade receivables) and from its financing activities, including other financial assets with banks and financial institutions.

Foreign exchange risk
Foreign currency risk is the risk that the changes in cash flows because of changes in foreign exchange rates. The Group's exposure to the risk of changes in foreign exchange rates relates primarily to the Group's operating activities.

A sensitivity of the Group exposure to USD (which is the only significant foreign currency the Group exposed to) based on the Trade Payable balances outstanding as of reporting date as follows.

For the year ended 31 March	Increase / (Decrease) in Excahange rate US	Change in Profit before tax	
		GROUP LKR'000	COMPANY LKR'000
2025	5%	-	-
	10%	-	-
2024	5%	(1,298,397)	(1,298,397)
	10%	(2,596,794)	(2,596,794)

Liquidity risk
The Group's objective is to maintain a balance between continuity of funding and use of bank overdrafts. Access to sources of funding is sufficiently available and payables maturing within 12 months can be rolled over with existing lenders.
The table below summarizes the maturity profile of the Group's financial liabilities based on contractual payments.

	On demand LKR'000	< 3 months LKR'000	3 to 12 months LKR'000	1 to 5 years LKR'000	Total LKR'000
Year ended 31 March 2025

Trade and other payables	41,749	-	26,450	-	68,199
	44,577	-	26,450	-	71,027

Capital management
Capital includes only the equity attributable to the equity holders of the parent.

The primary objective of the Group's capital management is to ensure the healthy capital ratios in order to support its business and maximize shareholder value.

The Group manages its capital structure and makes adjustments to it in light of changes in economic conditions. No changes were made in the objectives, policies or processes for managing capital during the year ended 31 March 2025.

Consistent with others in the industry, the Group monitors capital on the basis of the gearing ratio. This ratio is calculated as total borrowings by total equity. Total borrowings including non-current and current borrowings as shown in the statement of financial position. Total equity is calculated as 'Total equity' in the statement of financial position.

Gearing ratio as at 31 March is as follows :

For the year ended 31 March	GROUP		COMPANY	
	2025 LKR'000	2024 LKR'000	2025 LKR'000	2024 LKR'000
Long Term Borrowings	-	-	-	-
Total Equity	1,990,921	1,957,515	1,970,302	1,939,355
Gearing Ratio : Debt to Equity	0%	0%	0%	0%

23. FAIR VALUES

The fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants of the measurement date.

23.1.

	Date of valuation	Total	"Quoted prices in active markets (Level 1) "	"Significant observable inputs (Level 2)"	"Significant unobservable inputs (Level 3)"
The fair value measurement hierarchy for non financial assets as at 31 March 2024:					
Assets measured at fair value					
Revalued Property, Plant and Equipment					
Land	31-Mar-25	1,758,949	-	-	1,758,949
Buildings	31-Mar-25	327,498	-	-	327,498
Other Financial Assets					
Unquoted Unit Trust Investment*	31-Mar-25	62,071	-	62,071	-
The fair value measurement hierarchy for non financial assets as at 31 March 2023:					
Assets measured at fair value					
Revalued Property, Plant and Equipment					
Land	31-Mar-24	1,770,194	-	-	1,770,194
Buildings	31-Mar-24	246,852	-	-	246,852
Other Financial Assets					
Unquoted Unit Trust Investment *	31-Mar-24	327,796	-	327,796	-

There were no transfers between level 1 and level 2 during the year of 2025.
*Fair value of Unquoted Unit Trust has been determined based on the Company's asset manager's fair value assessment.

23.2. Fair Values of financial instruments not carried at Fair Value

For the year ended 31 March	GROUP				COMPANY			
	CARRYING AMOUNT		FAIR VALUE		CARRYING AMOUNT		FAIR VALUE	
	2025 LKR'000	2024 LKR'000	2025 LKR'000	2024 LKR'000	2025 LKR'000	2024 LKR'000	2025 LKR'000	2024 LKR'000
Financial Assets								
Financial Assets Carried at Amortized Costs								
-Trade and other receivables	136,324	19,141	136,324	19,141	133,429	19,087	133,429	19,087
-Cash and cash equivalents	2,472	8,037	2,472	8,037	375	5,702	375	5,702
-Quoted Debentures	47,175	47,173	45,279	42,397	47,175	47,173	45,279	42,397
-Fixed Deposits	63,626	58,066	59,133	65,285	51,526	51,466	59,133	58,592
Financial Liabilities								
-Trade and other payables	48,542	68,199	48,542	68,199	44,190	67,258	44,190	67,258
-Bank overdraft	45,812	2,828	45,812	2,828	45,812	2,828	45,812	2,828

Cash and cash equivalents, trade and other receivables, debentures and trade payables approximate their carrying amounts to fair values largely due to the short term maturities of these instruments.

The following is a list of Financial Instruments where the carrying amount is a reasonable approximation of Fair Value considering the short term nature of the balances. :

Assets

Trade and Other receivables
Cash and cash equivalance

Liabilities

Trade and Other payables
Bank overdrtaft

24. EVENTS AFTER THE REPORTING PERIOD

There were no material events occurring after the reporting date that require adjustments to or disclosure in the financial statements.

25. CAPITAL COMMITMENTS AND CONTINGENCIES

There were no significant capital commitments and contingencies as at reporting date.
Majority of the Interest-bearing loans and borrowings balances comprise floating rate instruments therefore fair value of the value due to banks approximate to the carrying value as at the reporting date.

26. OPERATING SEGMENT

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Group's other components, whose operating results are reviewed regularly by the Senior Management to make decisions about resources allocated to each segment and assess its performance and for which discrete financial information is available.There were no material events occurring after the reporting date that require adjustments to or disclosure in the financial statements.
